Tune Into the Track List for the Weeknd's New Album, Dawn FM

The Weeknd is really giving us cinema in the teaser for his upcoming album, *Dawn FM*, out Friday. Today he released another teaser, this time with a track list ... and some sort of incantation: "God knows life is chaos / But he made one thing true / You gotta unwind your mind, train your soul to align / And dance till you find that divine boogaloo." Don't say it in front of a mirror five times or Old Age Makeup Weeknd will appear. Here's the official 16-song track list, transcribed so you don't have to freeze-frame it on the shot of an ant crawling on an eyeball..

The 17 Best Headphone Brands - Black Friday 2022 Reviews

If you're in the market for a new pair of headphones, it can be hard to know where to start. Even if you've narrowed down your needs to something fairly specific, like earbuds for sports, how do you know what the best earbuds brand is? While the biggest brands tend to make something for everyone, some focus on specific groups, like athletes or professional musicians.
